Due to guidelines from both state and local health departments, all campers and adults coming to Camp for the day must have their temperatures taken. Anyone with a temperature of 100°F or higher may not stay for the Youth Day Event.

I give permission for my child to attend the Youth Day Event at Peniel Bible Camp.

Furthermore, I agree to hold harmless, defend, and indemnify the Peniel Bible Camp, its staff and personnel from any and all claims of liability and loss (including, but not limited to, sickness, exposure to communicable disease, bodily or emotional injury, property damage) resulting from any usage of the Camp (regardless of whether such liability or loss results from the negligence of the Camp, its staff, or personnel).
